

# Drone Warfare: moral? ethical? legal?

## A Community Forum

**The U.S.'s use of Military drones is increasing dramatically. How many civilians is the U.S. killing? How many new enemy recruits are emerging as a result? What are the implications for this military strategy?**

### **SPEAKERS:**

**Rita Maran**, Ph.D. writes and lectures on rule of law, torture, the UN, international and women's human rights, and U.S. Government policy and practice on human rights.

**Rev. Michael Yoshii** is pastor of Buena Vista United Methodist Church in Alameda. He worked against the rounding up of Muslims, Arabs, and South Asians following the events of 9/11 and helped organize public support for military resister Lt. Ehren Watada.
